QUICK UPDATES FROM

St. Alphonsus

Here is your update for the week of September 28th

Good News!	 We ended the week with a wonderful school opening celebration done over TEAMS. It was nice to be able to celebrate our Faith with song and scripture as a school community.
Reminders	❖ If you require documentation for your child's registration for immigration, citizenship or tax purposes, you will need to contact the Division. We have attached the application with this newsletter. ❖ Wednesday, September 30th, is Orange Shirt Day. We encourage all students and staff to wear orange that day as we acknowledge Canada's Indigenous history and remember all the children and families whose lives were irrevocably changed through the tragedy that is to be found in residential schools. ❖ Check out our Virtual Meet the Teacher in your child's google classroom. As a reminder, if you wish to speak to your child's teacher, you can set an appointment for in person or set up a meeting through TEAMS. ❖ Daily Health Screening
School News	As we head into next week, we have adjusted a few things. Our new guidelines allow us to now have music in our music room and the children can sing with their masks on. There are parameters set that we are following to ensure the health and safety of our staff and students. The other item is the use of lockers. We will begin letting our elementary students use the lockers that are outside of their classroom. Again, we have guidelines that we will be adhering to so to ensure the health and safety of the students and staff.

Have a Great Week!
