QUICK UPDATES FROM

St. Alphonsus

Here is your update for the week of September 14th

Good News!	 Our first full week of school was a success. Our students and staff are learning the new routines quickly. We had a beautiful week and so we were able to enjoy the sunshine during our staggered recess breaks. Our phys ed has been outside when possible as well. The continued support that we receive from you, our parents/guardians, is truly appreciated. We are blessed with such a wonderful community.
Reminders	❖ Monday - Hot lunch begins for elementary (please sign and send the hot lunch form back if you have not done so already) ❖ Because of the staggered entrances and times for arrival and dismissal we have had to limit the traffic in our parking lots for the safety of our school community. We appreciate your support with this. ❖ If your child has allergies, we need you to provide documentation to the teacher/office, as the symptoms can be similar to COVID symptoms and we do not want to send him/her home if not necessary ❖ Thursday- Early dismissal-11:58
School News	➤ We continue to cohort our students as best we can; therefore, this year for Arts options and CTF, our grades 7,8,9 will remain with their homeroom and will rotate through these classes every quartermester. We recognize that the students may be disappointed in not being able to choose, but this is our way of keeping them and everyone in and out of the school safe. The homeroom teachers will be explaining to the students more in depth on Monday morning. ➤ If your child takes the yellow bus, but has permission from you to walk home, can you please send a note/email to his/her teacher so we are aware. We are also asking them to please let the bus supervisor know that they are not taking the bus on that specific day.

Have a Great Week!
