QUICK UPDATES FROM

St. Alphonsus

April 29-30

News!	We have begun the process of preparing for next year. Thank you to all who submitted your intentions. If your child already attends St. Alphonsus and will be returning there should be nothing else for you to do. If you have selected another school, you will be hearing from that school. Please note if you selected online learning for next year, you will be a part of that school and not St. Alphonsus. The online school will begin on September 1st, NOT our year-round start date of August 11th.
Reminders	- Please be checking your child's power school to keep up to date with their progress. - Our grade 7-9 are now online. The expectation is that they are online from 8:25-3:00, as they are to follow the times of the school.
